

St Marie's Design Technology Curriculum Journey

Design Technology encourages our children to become channels of divine inspiration through innovative creativity and high-level resourcefulness. He has filled them with skill to do all kinds of work as engravers, designers, embroiderers in blue, purple and scarlet yarn and fine linen, and weavers—all of them skilled workers and designers (Exodus 35).

The love of Christ nurtures, guides and inspires us

Expressive arts and design

Creating with Materials

ELG Children at the expected level of development will:

- Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form, and function;
- Share their creations, explaining the process they have used;
- Make use of props and materials when role playing characters in narratives and stories.
