

St. Marie's Catholic Primary School

Year 3 Autumn Term Homework Menu 2024-25

Maths

Practice the 2,3,5 and 10 times tables.

Count in 100s past 1000.

Practice number bonds to 100.

Practice part-whole models.

English

Write a setting description of your local park.
Use prepositions (under, above, beside) and adjectives to describe the features within the park.

science

Identify the different plants in your home.
Create observational drawings and label the parts of the plant and their functions.

ICT/Computing

Make a list of devices connected to your home network.

Use TTRS to practice your multiplication skills and use Reading Eggs to develop your reading skills!

Physical Education

Practice your balance skills by walking, tiptoeing, jumping, hopping and sidestepping.

Art

Collect some Autumn Leaves to make a natural picture.

Sketch, paint or rub some Autumn Leaves.

Come and See

Draw a picture of something or someone you are thankful for.

Write a short description of what makes them special to you.

Spanish

Draw a picture of a skeleton and label its body parts in Spanish.

Geography

Go for a walk – what is land nearby being used for?

Sketch some of the things you see and label them.
What sort of buildings are they? What types of homes can you see?

Music

Can you identify high or low pitch in popular songs?

Make up some actions to accompany songs you hear.

PSHE

Practice your Happy Breathing to help you manage and regulate your Amygdala.
