<https://www.timestables.com/speed-test/> - prepare for multiplication check in May.

Year 4AA

Homework Menu

Spring Term

Geography

Research Climate zones, Biomes and Vegetation belts. Choose one aspect to create a project about.

Come and See

Explore the Diocesan website, looking at the number of churches, and finding out about our bishop.

Look through the family photograph album to help the children remember important events and special people in their lives.

Computing

Experiment with Scratch programming to create your own animation—<https://scratch.mit.edu/projects/editor/?tutorial=getStarted>

History

Research the Battle of the Atlantic—present your findings in anyway you choose. E.G poster, presentation, a video clip.

Physical Education

Practice your dodging techniques at home.

Challenge yourself to jump as far as possible. Mark your position and try again.

Celebration Date

Thursday 3rd April 2025

PSHE

Create an attitude for gratitude. Make a list of things you are thankful for.
