

# St. Marie's Catholic Primary School

## Autumn — Homework Menu

### Art/DT

Create a 3d observational drawing of a piece of fruit using pencil and paper.

Research shell structures and draw 3 examples of items that have a shell structure.

### English

Write a narrative story from an animals perspective with the use of dialogue.

Engage with Reading Eggs and practice spellings

### Science

Look around your house and create a list of solids, liquids and gases you can see.

Talk about electrical safety at home.

### Maths

Use timestable rockstars regularly to develop times table knowledge.

## Year 4AA

## Homework Menu

## Autumn Term

### Geography

Go on a walk around Northwood, list any human and physical features you see along your journey.

### Come and See

Create your own family tree.

Talk to someone who has been to a Baptism and/or Confirmation about their memories of this celebration.

### Computing

Collaborate with a friend or family member to create a digital poster about how to stay safe online.

### History

Research the impact Romans had over Britain. Create a fact file on the Romans impact.

### Physical Education

Create a sequence of 4 movements using the yoga poses we have established in PE.

## Celebration Date

Thursday 12th December

### PSHE

Create a poster/information text explaining the role of the Hippocampus, Amygdala and Prefrontal Cortex.
